February 1, 2006

Hudson Golf Club Members,

Greetings from the Golf Shop! I hope that everyone's winter has been going well and that this letter finds everyone in great health. I would like to take a moment of your time to introduce myself and I look forward to meeting all of you in the near future. My name is Curtis Jorgenson and I have the distinct honor of being your Head Golf Professional at Hudson Golf Club. My first day was January 1st.

I was born in Huron, SD and raised in Fairmont, MN. I had the opportunity to attend Gustavus Adolphus College and graduated with a BA in Organizational Management. While attending Gustavus I played golf on the varsity golf team all four years.

After graduation, I began my professional career as an Assistant Golf Professional at Wayzata Country Club. During my first winter, I went to Sarasota, FL and worked at The Meadows Country Club. That January, a position at Hazeltine National Golf Club became available and I was able to secure a position there for the past five years.

The next few months are going to be a tremendous learning experience for me and I look forward to the challenge it presents. I just returned from the PGA Merchandise show and will begin buying merchandise for the golf shop. Please look for a merchandise survey with this monthly statement. It would be very helpful if you could return this survey to me as soon as possible, so that I am able to provide you the best products available.

I am also very enthused to be able to provide our members with a top-notch lesson program here at the Hudson Golf Club. Teaching golf is a key part of my responsibilities that I take seriously and enjoy very much.

My wife Shannon and I look forward to being a part of Hudson Golf Club. I have met many of you already and look forward to meeting everyone as the season approaches. If you have any questions, please call me at the number listed below.

I am available in the golf shop Monday and Thursday throughout February working from home the remainder of the week. I will be in the golf shop Monday through Friday throughout the month of March. Please also feel free to send me an e-mail if more convenient and I will respond to your questions immediately.

Have a great rest of the winter and I look forward to seeing everyone when the golf course opens.

Curtis J. Jorgenson
Head Golf Professional
